Dr. Dianne Kerr

Associate Professor
HS
dkerr@kent.edu

Education

Ph.D., Health Education **1992**
Ohio State University
Earned a 3.8 grade point average in doctoral coursework. Dissertation title:"An HIV Education Needs Assessment of Selected Teacher Members of the American School Health Association and the American Home Economics Association."

M.A., Health Education **1987**
The Ohio State University

M.Ed., Athletic Administration and Secondary Education **1981**
Bowling Green State University
Thesis title:"The Relationship of Assertion and Aggression to the Athletic Performance of Selected Male and Female Athletes." Earned 4.0 grade point average in Master's Program

B.S., Health and Physical Education **1976**
Slippery Rock State University
Graduated Magna Cum Laude.

Higher Education Work Experience

Core Course Faculty **0/1999 - 0/1999**
NEOUCOM
Masters in Public Health (MPH) Program

Tenured Associate Professor of Health Education **05/1998 - present**
Kent State University

Assistant Professor of Health Education **08/1991 - 05/1998**
Kent State University

Part-time Instructor/Assistant Professor of Health Education **1988 - 05/1991**

Kent State University

Graduate Teaching Assistant **1985 - 1987**

OSU Health Education

Teaching Associate **1985 - 1988**

The Ohio State University

Taught CPR, First Aid, Personal Health, and Human Sexuality. Also taught a teacher preparation course for elementary education majors (Health for Elementary School Teachers) at main campus and several branch campuses. Elected Vice Chair of Teaching Associates and co editor of the Health Herald newsletter.

Assistant Professor **1984 - 1985**

Notre Dame College of Ohio

Instructor, Health and Physical Education **1981 - 1984**

Notre Dame College of Ohio

Taught the required courses, Health Concepts for Women, and Lifetime Fitness as well as a number of majors' courses. Taught Health for Elementary School Teachers to Education Majors.

Coordinator of Women's Athletics **0/1981 - 0/1985**

Notre Dame College of Ohio

Coached Intercollegiate Volleyball and Basketball and directed the Women's Athletic Program. Designed the Notre Dame Fitness Center and revised the required physical education curriculum to be fitness oriented. . Acted as an Instructor Trainer for the American Heart Association's University Training Network. Served on numerous college committees (e.g., Student Affairs Committee, Administration Faculty Student Board, Planning Committee, Extracurricular Committee). Assisted with the planning and implementation of an interdisciplinary course entitled "Journey to Wholeness" which included a health component.

Graduate Teaching Assistant **0/1980 - 0/1981**

Bowling Green State University Physical Education Dept.

Taught undergraduate courses in jogging, softball, racquetball, self defense, cycling, and weight training. Served as Assistant Women's Track Coach as field events specialist. The season culminated in the first Mid American Conference Women's Track and Field Championship for Bowling Green. Completed thesis in the field of sports psychology.

Health and Physical Education Teacher, Athletic Director **0/1977 - 0/1979**

Villa Maria Academy

Acted as Athletic Director for seven varsity sports and as Physical Education Department Head. Devised physical education curriculum grades 9-12. Coached volleyball, track, and junior varsity basketball.

Other Professional Experience

Project Director **06/1989 - 06/1990**

The American Foundation for AIDS Research (AmFAR)

Targeted Education Grant to the American School Health Association to assess the effectiveness of existing HIV education programs. Also directed the Metropolitan Life Foundation Project Reach Grant to disseminate HIV education materials to school districts throughout the United States.

HIV Education Project Director **12/1987 - 08/1991**

American School Health Association

Directed all activities for the ASHA/CDC AIDS Education Cooperative Agreement, coordinated and facilitated activities of national advisory committees, corresponded with ASHA members, individuals, and national groups regarding AIDS education information. Prepared, reviewed, authored, and disseminated project materials. Supervised and conducted professional reviews for an Administrative Assistant and Graduate Assistant. Served as staff liaison to the Legislative Committee, Task Force on Gay Youth in the Schools, and University Tap-In Task Force. Served on the AIDS Advisory Committees of the National Education Association, American Federation of Teachers, National Coalition of Advocates for Students AIDS Working Group, National PTA, and the Council of Chief State School Officers Comprehensive Health Education (CHEN) Network.

Educational Consultant and Intern **1986 - 1986**

AIDS Activities Unit, Ohio Department of Health

Designed and implemented a survey research study of teachers and school nurses who received the AIDS Virus Informational Package at state wide workshops. Revised the AIDS Educational Package and created new educational materials.

Freelance Writer **1986 - 1986**

Charles E. Merrill Publishers

Designed and compiled health education materials for grades K 12 (see publications).

Presenter **0/1986 - present**

Have also conducted numerous HIV/AIDS presentations for local curriculum committees, parent groups, college students, and AIDS Hotline workers, as well as infection control presentations for custodial staff 1986-present

Health and Physical Education Teacher **1977 - 1977**

Whitehall Intermediate School

Assistant Track Coach, Bethel Park High School, Pittsburgh, Pennsylvania

Service

Advisory Board, Where Angels Land **2012 - present**

Serve as a board member for Where Angels Land, a substance abuse residential recovery program for women in Summit County. This is a newly forming non-profit. I am on the programming and finance committees.

Type: *Community*

Advisory Board, SOPHE AAHE Baccalaureate Program Accreditation Committee **2012 - present**

I was nominated and appointed to this position by the Board of the Society for Public Health Education (SOPHE). SABPAC is a national accrediting body for undergraduate Community Health Education Programs. It will be phasing out when the certifying body for public health, the Counsel for Education in Public Health (CEPH) begins accrediting undergraduate public health programs in approximately 5 years, In the meantime our board does site visits and program reviews of universities applying for the SABPAC Accreditation.

Site visit review team for Illinois State University, Sept. 30-Oct. 1, 2012.

Type: *Profession*

Member, Division Board for CHES/National Commission for Health Education Credentialing **2012 - present**

This is a director position for the Division Board for Certified Health Education Specialists for the National Commission of Health Education Credentialing. We are responsible for writing the certification exam questions for the national certification examinations (CHES & MCHES) for health educators. I was elected to serve in this position through a national balloting process.

Type: *Profession*

Advisory Board, Community Job Club, Inc. **2012 - present**

Ohio Department of Health Grant to the Canton City Health Department - Training

PI, Teen Pregnancy Prevention: Replication of Evidence-Based Programs **2010 - present**

This cooperative agreement was to replicate evidence-based teen pregnancy prevention programs. Our application sought to work with 37 counties in Ohio with highest rates of teen pregnancy. This was the first collaborative grant submitted for Federal funding as a combined effort from Health Education and Public Health. Unfortunately, it was not funded. Only 10 grants were awarded nationally at this funding level. The Office of Adolescent Health is not releasing grant scores but did send reviewers comments on strengths and weaknesses. The application will be reworked an corporate or foundation funding will be sought.

Collaboration with: Kerr, Dianne L. & Alemagno, S. (Co-PI)

Submitted: 10 million Status: Not Funded

Awarded: not funded (0 0)
