Education

M.A., Speech-Language Pathology University of Akron	1985
B.A., Communication Disorders University of Akron	1984

Higher Education Work Experience

Coordinator of Speech-Language Services KSU School of Speech Pathology and Audiology <i>This portion of my position includes administrative responsibilities related to the Speech and Hearing Clinic and to the graduate-level clinical practicum in speech-language pathology. In addition to administrative duties related to operating a clinic, I am responsible for ensuring that our graduate students have necessary clinical practicum experiences (on campus in our Clinic, off-campus at various facilities, and at semester-long externship sites). I help to establish policies and procedures related to compliance with American Speech-Language Hearing Association (ASHA) requirements for our program, and also to the development of professional skills in our graduate students.</i>	0/1998 - present
Clinical Instructor KSU School of Speech Pathology and Audiology <i>In addition to instruction in the graduate clinical practicum course, I am a clinical advisor and co-advise with a faculty advisor.</i>	7/1993 - present

Other Professional Experience

Clinical Instructor University of Akron	9/1991 - 6/1993
Speech-Language Pathologist Akron Public Schools	9/1989 - 6/1991
