

Mark Krumm

Associate Professor
HS
mkrumm@kent.edu

Education

Ph.D., Audiology Wichita State University	1990
M.S., Audiology University of Wyoming	1982
B.S., Speech Pathology & Audiology University of Wyoming	1980

Higher Education Work Experience

Associate Professor <i>Associate Professor. Kent State University, Kent, Ohio. School of Speech Pathology and Audiology. Graduate faculty status. Teaching responsibilities: clinical supervision, differential diagnosis, pediatric amplification, aural rehabilitation, auditory evoked potentials, telepractice, and research design. August 2005-present. Graduate faculty status.</i> <i>Kent State University</i>	8/2005 - present
Asst. Professor <i>Utah State University, Logan, Utah. Department of Communicative Disorders and Deaf Education. Graduate faculty status. Teaching responsibilities: Instructor in pediatric audiology, evoked potentials, amplification, aural rehabilitation, telepractice, and research design. August 2001-2005.</i> <i>Utah State University</i>	8/2001 - 5/2005
Associate Professor <i>Assoc. Professor. Minot State University, Minot, North Dakota, Department of Communication Disorders. Graduate faculty status. Teaching responsibilities: Instructor in pediatric audiology, otoacoustic emissions, cochlear implants, tinnitus, aural rehabilitation, research and computer skills, speech and hearing science, and supervision of audiology students in clinic.1991-2001.</i> <i>Minot State University</i>	8/1991 - 8/2001

Type:

Service

Editor, International Society of Audiology: Audinews 2009 - present

Production and editing of the International Society of Audiology: Audinews

Type: *International*

Committee, Synchronous Committee 2008 - present

Type: *Campus*

Adjudication, Advisor for NAFDA (AuD doctoral students Org) 2007 - present

Type: *Department*

Committee, Undergrad Curriculum Committee 2007 - present

Type: *College*

Committee, Technology Advisor Committee 2007 - present

Type: *College*

Chair, American Academy of Audiology Chair on Telehealth and Telemedicine 2007 - present

Development of national resolution statements, and practice standards for telehealth in audiology.

Type: *National*

Committee, Member of EHHS diversity committee 2006 - present

Type: *College*

Academic Discovery Days designee 2006 - 2008

Type: *Department*

Editorial Board, Asst. Editor International Society of Audiology: Audinews 2006 - 2009

Assisted in the production of International Society of Audiology: Audinews

Type: *International*

Committee, Full Member Graduate Committee 2005 - present

Type: *College*

Committee, Member, Faculty Advisory Committee

2005 - 2008

Type: *Department*

Committee, Academic Advisor for Audiology Doctoral Students

2005 - present

Type: *Department*

Committee, Grievance committee

2005 - 2006

Type: *Department*

Co-editor, NOAC Member of the curriculum committee

2005 - 2007

Type: *Department*

Committee, NOAC Student admissions/performance committee

2005 - 2007

Type: *Department*

Editorship, Column editor: International Society of Audiology: Audinews. A research minute

2004 - present

Production of a review of leading edge research concerning the auditory system.

Type: *International*

Chair, ASHA Telepractice Working Group-Chair

2003 - 2005

Development of position statements, core literature reviews and practice standards for telehealth in audiology and speech language pathology.

Type: *National*

Grants

, The Use of Telehealth Technology For The Measurement of DPOAEs in Infants

0 - present

Awarded: \$14,000.00 (01 2002)

, Information Dissemination of the USU Telepractice Model For Universal Newborn Hearing Screening (UNHS) Programs

0 - present

Awarded: \$4,000.00 (01 2003)

, Universal Newborn Hearing Screening Project for North Dakota

0 - present

Awarded: \$613,079.00 (01 2000)

, North Dakota Distance Audiology Project

0 - present

Awarded: \$185,000.00 (01 2000)

, Validation Of A Telehealth Model Developed To Assess Infant Hearing

0 - present

Awarded: \$21,000.00 (01 2002)
