## Higher Education Work Experience

---

<b>Academic Program Director, Human Service Technology / Human Development and Family Studies</b> Kent State University Columbiana County Campuses <i>Direct all operational, administrative, instructional and financial, and student service activities of the Associate of Applied Science in Human Services Technology and the Bachelor of Science in Human Development and Family Studies Program at the Salem and East Liverpool Campuses. Coordinate program goals, objective and procedures with Kent and Ashtabula Campus programs. Develop and market program; oversee program budget; develop and revise program policies and procedures; identify and secure program funding and support; establish objectives and develop strategies for achieving objectives; teach program courses; recruit, monitor and evaluate adjunct professors to teach in the program; evaluate and implement changes to program; serve as liaison to various constituent groups relative to the program; serve on internal and external committees and boards; establish collaborative relationships with area social service agencies to secure internship experiences for program students; serve as primary academic advisor to all students in the programs; provide presentations to area high school youth regarding the fields of social work, human services, counseling and human development and family studies. Teach program courses as scheduled. Research and develop certificate programs to support community needs. Represent the campus on local and state human services related community boards and committees. Train campus students and staff as requested.</i>	<b>7/2007 - present</b>
<b>Director of New Student Programs &amp; Assistant to the Vice President for Student Development</b> Geneva College	<b>2/2003 - 6/2007</b>

Office focused on student concerns, success and transition. Develop curriculum for freshman seminar success course including syllabi, textbook, assignments and grading system. Schedule and organize week-long intensive orientation program for 450 new students, as well as two weekend programs for prospective students and parents. Recruit, interview, hire, train, supervise and evaluate 70 upper-class students and 26 faculty/staff members to teach the freshman seminar course. Identify students at risk and refer to appropriate services. Chair/represent the department on committees, at programs, speaking engagements and leadership meetings. Develop departmental policies and procedures. Initiated a collaborative relationship to provide counseling services to students by a community agency and continue to monitor the services/satisfaction. Work with department budget, projections and expenditure. Keep and monitor confidential files. Collaborate with all departments and local community.
